

NEW YORK STATE BAR ASSOCIATION & CALIFORNIA LAWYERS ASSOCIATION JOINT WEBINAR

# Merger Enforcement by State Attorneys General: The States' Perspectives

State antitrust enforcers have been notably active (and notably inactive) in several recent high-profile mergers, but it is not often clear which mergers will receive scrutiny and which will receive a pass from state attorneys general. Please join us for a free webinar featuring a panel of top antitrust enforcers from New York, California, and Virginia who will share their perspectives on the types of matters that invite states' scrutiny, discuss the procedural and substantive differences in merger investigations by state attorneys general and investigations by the FTC and the DOJ, and provide highlights from recent enforcement actions.
