

OUR MISSION

Our Mission is to foster a supportive community for solo and small firm practitioners across all areas of practice, to guide our members on their path to becoming strong, competent and ethical solo and small firm business owners, and to recognize the accomplishments of solo and small firm professionals across the state.

SOLO & SMALL FIRM SECTION

About Us

Originally organized in 1987 as a Section of The State Bar of California, as of 2018 we are a 501(c)(6) organization and Section of California Lawyers Association.

California Lawyers Association is a member-driven, mission-focused organization dedicated to the professional advancement of attorneys practicing in the state of California.

Our Members

We represent the largest demographic of attorneys in the State of California; Solos and Small Firms (5 or less attorneys). All are welcome to join as members of the Section.

#WeAreSSF

What We Do For You

Awards

The Section annually recognizes solo and/or small firm practitioners with the Section's Excellence in Practice and Excellence in Service awards. The honorees are recognized and celebrated annually at the Solo Summit.

Diversity

The Section affirmatively works to create dialogue and partnership with diverse groups throughout the state that reflect the SSF membership. These relationships help diversify our pipeline to leadership honorees, and provide much needed opportunities for engagement.

Education

The Section identifies and provides educational opportunities specific to SSF members (starting, managing, growing, & tech) to guide them on their path to becoming strong, competent and ethical solo and small firm business owners via webinars, in person MCLE and program vetting for CLA events.

Publications

The Section provides its membership a monthly e-newsletter featuring important updates and information, as well as a quarterly printed magazine, the Practitioner, which provides substantive and procedural articles and self-study MCLE opportunities.
